

Welcome To MyMedicalLocker™!

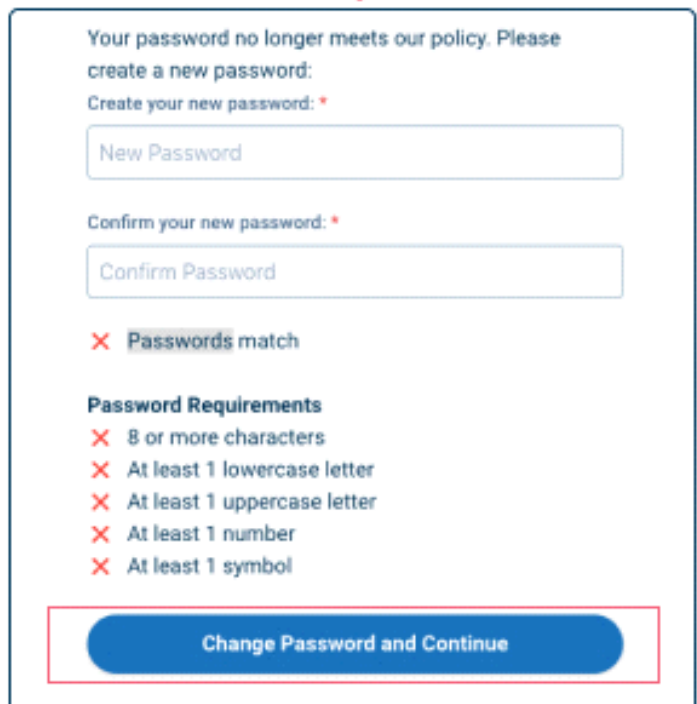

MyMedicalLocker™ is a secure patient portal that gives you 24-hour access to your health data.

How to Get Signed In

1. Your User ID is the email or phone number used to receive your Account Token.(See Below)
2. Your Password is the Account Token that was sent to you and also listed below.
3. Click Sign In. You will be prompted to update your password.
4. Once your password has been verified. Click 'Change Password and Continue'.

The login screen features the MyMedicalLocker logo at the top. Below it, there are two input fields: 'User ID*' with a placeholder 'Enter a Mobile Number or Email' and 'Password*' with a placeholder 'ex: *****'. A 'Forgot Password?' link is located to the right of the password field. A blue 'Sign In' button is positioned at the bottom of the form.

The password reset screen displays a message: 'Your password no longer meets our policy. Please create a new password:'. It includes two input fields: 'Create your new password: *' with a placeholder 'New Password' and 'Confirm your new password: *' with a placeholder 'Confirm Password'. Below these fields, there is a red error message: 'X Passwords match'. A section titled 'Password Requirements' lists five criteria, each with a red 'X' indicating failure: '8 or more characters', 'At least 1 lowercase letter', 'At least 1 uppercase letter', 'At least 1 number', and 'At least 1 symbol'. A blue 'Change Password and Continue' button is at the bottom.
